FOOTPRINTS 1990

1988

MEMORIES OF

I will remember all of the great friends that I have made, the supportive professors and the wonderful education that I have obtained.

— L.M.

All the great friends I have made in my four years here and the education I received to help me in life. I will miss everything about St. Joe's and hope that when I look in my yearbook, it will bring back many fond memories!! P.S. The Triangle lives forever.

— C.C.

I'll always remember the feeling of home and comfort; but never the feeling of just being another lily in a field.

— M.A.R.

Dance Club and Fashion Club practices; throwing the show together the night before.

— C.P.

Jennifer, Cathy, Tara, Sylvia, Liz and every laugh and tear we ever shared.

— D.G.

Success, failure and the ability to learn from each.

— L.P.

Driving 45 minutes to school in heavy traffic to cut classes and hang out.

— J.L.

Warm atmosphere and friends.

— G.L.

Winning the 1988 King of Kings Tournament and the jubilation after winning the "cup".

— R.N.

It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was St. Joe's.

— E.K.

The bear at the Halloween mixer; T.S. Eliot flashbacks; the horror, the horror; Mr. Farrell's "safe home"; I'm going to snooze, God bless you; George killed my fruit flies.

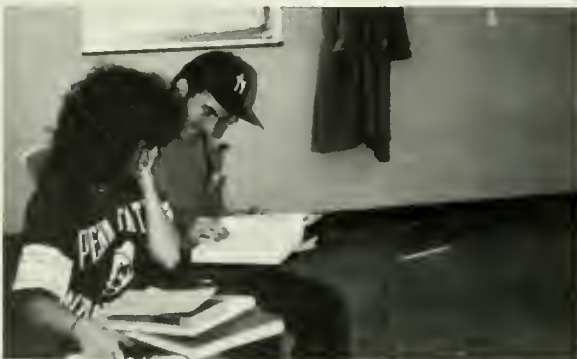

— K.G.

We'll always remember Mr. Farrell and the "springboard".

— C.K. & T.W.

Trying to get work in on time — especially Chem Labs.

— D.M.B.

ST. JOSEPH'S

St. Joseph's College used its characteristic small enrollment to create a family atmosphere.

— R.B. & C.F.

St. Joe's . . . thanks for the memories.
— C.H.

"My friends" — the few but the BEST and all the laughs we shared — ski trips, Cut that hair!; Where's the rest of the . . . ? and so many more. Encore Everyone!

— S.S.

Having considered (for about half an hour) how to answer this question and painstakingly deciding that it was best left unanswered.

— J.M.

My run in with S. Josephine concerning my lateness. I was never late after that. She, along with Dr. Nevins, really inspired my love of learning outside the formal setting. They encouraged my love of learning — helped make it logical.

— J.

Friendship, everlasting friendship.
— A.D.

I remember laughing a lot & singing Christmas carols around a cafeteria table while everyone else did their projects for Jane Ashdown.

— E.T.W.

The bus ride home from the ski trip in '88; "Paradise by the Dashboard Lights"; and waiting around for those 3:00 Speech classes.

— E.R.

Two fun-filled and torturous semesters I spent with Chapel Players.

— W.D.T.

My 'four' "college friends", Psych 101, ski trip '88 bus rides and thumper games.

— J.P.

The old rec room and seven game ping pong marathons.

— D.D.

Reach for the stars. You might not always make it, but you won't end up with a handful of mud either.

— P.C.

All the care and concern the faculty and staff displayed towards me. They made me feel special from the first day & every day thereafter. I'll always remember them for that.

— E.A.

The Rock & Roll Extravaganza: the Rolling Stones with Tara, Cathy, Sylvia, Jennifer & me.

— K.F.

The good times were good, and the bad times were bad, but I wouldn't change a thing about my four years at St. Joe's.

— J.M.

“Freedom is the birthright of man, it belongs to him by right of his humanity.”

— Immanuel Kant

The 1990 edition of FOOTPRINTS is dedicated to the ideal of freedom. Too often, we take for granted the precious gift of freedom which each of us possesses. The Class of 1990 would like to take this opportunity to recognize this gift which allows us to speak our minds, make choices, and work toward reaching our full potential.

“Everything that is really great and inspiring is created by the individual who can labor in freedom.”

— Albert Einstein

1990 is a year of transition which marks the beginning of a new and the closing of an old decade.

FOOTPRINTS has chosen a bridge as its theme to represent the end of a segment of our academic careers and the start of a journey toward achievement, success, and happiness. The bridge also symbolizes the sometimes long and difficult road we have travelled during our time at St. Joseph's, and the sense of accomplishment we feel in completing the crossing.

FOOTPRINTS

One night a man had a dream.

He dreamed he was walking along the beach with the LORD.

Across the sky flashed scenes from his life.

*For each scene, he noticed two sets of footprints in the sand;
one belonging to him, and the other to the LORD.*

*When the last scene of his life flashed before him,
he looked back at the footprints in the sand.*

*He noticed that many times along the path of his life
there was only one set of footprints.*

*He also noticed that it happened at the very lowest
and saddest times in his life.*

This really bothered him and he questioned the LORD about it.

*"LORD, you said that once I decided to follow you,
you'd walk with me all the way.*

*But I have noticed that during the most troublesome times
in my life there is only one set of footprints.*

I don't understand why when I needed you most you would leave me."

*The LORD replied, "My precious, precious child, I love you
and I would never leave you.*

*During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."*

Dear Randy,

I thank God for you, and Flat Rum & Cokes. I'm glad you didn't play pool all day that faithful day in December of '87.

You've brought so much joy and love to my life, that I'll never understand what I did to deserve you.

Always remember “Syracuse” as a building block in our relationship. I know, at times it's been rough, but our love always pulled us through.

Thanks for caring, loving and being there for me.
I Love You.

Love Your Pookie, Debbie

Dear Karen,

I would like to dedicate this to you and the ozone layer . . . May you both Exist and Survive Forever.

I'll never forget you, or that amazing lime green vest — I know I'm a better person for the experience.

Wally brought us together and Kevin helps us to survive. I'll never forget all the laughs we've had and the memories we've shared.

Keep smiling, and maybe you'll meet somebody as “Loose” as me in the future —

Love, Debbie

It's hard to believe that four years have passed, and I'm ready for the "real world". I can now answer the question "What do you want to do with your life?"

Thanks to all my friends and teachers at Saint Joseph's, including those who have graduated and those who hopefully will soon. Special thanks to Donna DiTucci for being my personal limo service. You have the patience of a saint! I will remember you all with the fondest of memories, even Dr. Nevins, who gave me the only D+ I ever received throughout my entire scholastic career. I can admit it now that I enjoyed being subjected to philosophy against my will.

To my entire family, especially Mom & Dad — without your emotional and financial support I couldn't have made it through. Someday I will be able to pay back all you have done for me. For now I can just tell you that I love you.

And to Jimmy, who put up with three years of late nights spent studying, typing, and constant working. It's all over now except for the constant working. Here's to what the future brings . . .

Thanks for the memories —
Jean

P. S. Where's the Twinkies?

To Jean,

To be successful in the future,
keep doing as you are doing
and have always done.
May God bless you always
and watch over our special angel.

To The Staff of Footprints:

For many months we worked together—sharing yellow pencils, erasers, wheels, cropping sticks and occasionally, a laugh or two. We spent countless hours trying to finish Footprints '90.

- We:
- took photographs
 - categorized them, selected them, and cropped them.
 - spent hours learning about picas
 - counted them, recounted them, and tried to find just one extra one to make the perfect picture fit.
 - rushed when the deadlines approached
 - not so fast for the “fake” one, a little faster for the “fake real” one, and as fast as we could for the “real real” one.
 - made decisions
 - on a theme, a cover and a dedication
 - became friends
 - certainly the most important achievement of the year.

All your hard work and help is greatly appreciated. A special “thank you” to Danielle, Michelle, Kathy, Heather and John for coming in on days off, staying late when necessary, and for just being wonderful people to be around! I’d also like to thank Sherrie for her assistance, patience and concern.

To my co-editor Maria: You’re the one who got me into all this . . . Thanks!

Sincerely,

Karen Graham
Co-Editor

Ralph Waldo Emerson once said “The reward of a thing well done, is to have done it.” Well, we sure did it!!!
As Co-Editor of this year’s edition of “FOOTPRINTS”, I would like to thank the great staff that made this book possible;

To Kathy: I can not imagine getting through a layout session without you. Thanks for being such a patient teacher.

To Danielle and Michelle: The best Business Editors a girl could ask for! Your nutty antics and dedication helped relieve the tension when things became rough.

To Heather and John: Counting picas and cropping pictures would not have been this much fun without you.

To Sherrie: Thanks for all of your guidance, patience, understanding, and support!!

To Karen: My Co-Editor and partner in crime. I would not have gotten through this without you!! We met our fair share of obstacles, hurdled them, and still landed with our feet firmly planted on the ground. (A-ROO-RAH-RAH!)

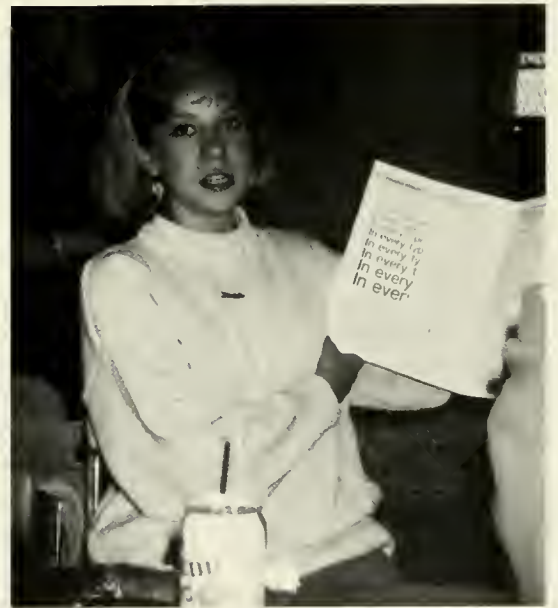

To everyone on the staff who helped in the production of this yearbook through the contribution of photography, working on layout and design, typing copy and letters, and most of all, for putting in the overtime in order to meet deadlines by sacrificing a day or two of vacation.

The experience, knowledge, and friendships that were gained over the past year will forever be an important part of my time spent at Saint Joe’s. THANKS!!

Lots of Love and Happiness Always,

Maria
